

The future is the **welters** HERITAGE LIST

A new era in memorial provision and safety

Our **GRANITE HERITAGE LIST** memorial systems are exclusively designed specifically for **welters** burial chambers.

Along with the standard lawn and traditional type designs, we have also created our own exclusive range of memorials, offering individuality and

The advantages are:

- guaranteed alignment along rows
- holding blocks inter-lock for added stability
- no need for removal upon subsequent interments
- quick and easy fixing or removal for inscription purposes
- memorial range supplied by **welters** or local stonemason
- guaranteed quality and build consistency
- specifically designed for burial chambers
- safe, strong and stable

originality in a market that over recent times has become repetitive and lacking in imagination. The trend towards more elaborate and expressive memorials is growing and it is our intention to remain at the forefront of any such changes.
